.....DATE:.....
Signature of Parent/Guardian(after completing overleaf)

This Medical Questionnaire when completed by the parent/guardian should be returned to the Headteacher / Youth Leader. The completed certificate will be taken on the visit by the party leader.

1. Give details below of any medical treatment being received at present. If medication is being given, please ensure that sufficient supply is carried to last the duration of the course.

2. Nature of infectious diseases and how contracted during the past three weeks.

3. Further information regarding diarrhoea during the past seven days.

4. If your child suffers from EPILEPSY, DIABETES, ASTHMA or HAY FEVER, please give FULL DETAILS BELOW. These should include severity and frequency of attack, approximate date of the last attack and details of any medications taken regularly or kept for emergencies.

Bed –wetting – arrangements must be made by the parent to provide suitable bedding which may be necessary in this event.

Foot-infection – please give details.

5. Please give details of the nature and date of any serious illness during the last three months.

6. Further details of restrictions upon physical activities in school:

7. Details of allergies, including reaction to painkillers, antibiotics, analgesic and other proprietary medication (and anaphylactics).

The child’s doctor may be contacted regarding the above information, and in serious cases this could result in the child being unable to attend certain courses.
